<p>The entrance examination consists of two parts.</p> <p>Part 1: Submission of a folder containing original artistic work, including sketches of scenery and costumes, as well as a written discussion about how you interpret them.          Please answer the following questions and place your answers in the folder:          a) What brought you to the idea of studying stage design?          b) What impressions do you have of the occupational profession of a stage designer?          c) Please include a cv (curriculum vitae) in your folder.</p> <p>Send the folder here: Institut 11, Leonhardstraße 82 (room 105 or 302), 8010 Graz</p> <p>After the prerequisites have been completed, a decision will be made about how the examination is to continue. You will be advised about this in writing.</p> <p>Part 2: A six-hour paper to determine creative talent:          creating stage designs on given themes, including a work chosen by yourself from the areas of musical theater, spoken theater, dance theater, or musicals.</p>
