

STAGE DESIGN

ENTRANCE EXAM:

The prerequisite for this course of study is passing the entrance exam. In each year of study two registration deadlines are provided for the entrance exam, one in June and one in September.

The entrance exam is made up of two parts.

Part 1

Submission of a folder with original artistic work, including sketches of scenery and costumes, accompanied by relevant written explanations.

After the prerequisites have been fulfilled, a decision will be made about how the exam is to continue.

Part 2

A six-hour exam to prove creative talent: this involves stage designs on set themes, including one work of free choice from the areas of music theater, spoken theater, dance theater or musicals.
