Academic Calendar SS 2012

February 29 2012, March 01 2012 Placement Test for German Neubaugasse 10

Please register for the placement test at the VGU office at Neubaugasse 10 until February 23 2012.

The test is a mandatory requirement for admission to the VGU.

Late registration and/or admission is on a space-available-basis. A late start may jeopardize your chance to pass the course successfully and may delay your admission to university.

An additional placement test will be held after a couple of weeks to give excellent students the opportunity to proceed more rapidly on a higher course level.

Expected attendance: 80% of a total of 15/18 contact units (weekly basis).

Please keep in mind: If you come here without any knowledge of German the time range allowed by the university administration (Letter of Admission) might not be enough for you to reach the level of the German language assessment exam.
