

# Online-Application for Admission/ for Entrance Examination

1. First of all, please inform yourself about the study programmes on our homepage:  
( <https://www.kug.ac.at/en/studies-further-education/studies/all-studies.html> )  
Besides the information to the study programme you can also find **the particular entrance requirements**.

Please also inform yourself about the difference between the instrumental studies (respectively Voice or Jazz) and the study programme IGP (Music Education – Voice and Instruments), especially about the Achievement Goals and Exam Prerequisites, so that you can apply for the appropriate study programme.

Please also visit the homepage of the [Welcome Center](#) (E: [welcome@kug.ac.at](mailto:welcome@kug.ac.at)) as a first central contact and service point for prospective students and university applicants.

2. Register for a KUGonline-**applicant account**: <https://online.kug.ac.at/KUGonline/>  
(ATTENTION! Please register for a new applicant account only ONCE!)

The screenshot shows the KUG online website interface. At the top, there is a navigation bar with a search field and a 'log in/log out' link. The main content area features the 'KUG online' logo, a 'Welcome' message, and 'Information for prospective students and applicants'. A red arrow points from the 'log in/log out' link to a text box that says 'Choose language (German/English)'. Another red arrow points from the 'applicant account' link in the text below to the same text box. The text below the welcome message includes instructions for new applicants and existing students/employees, and a link to find application deadlines.

**If you are already a student of our university you don't need to create a new applicant account, you can log in with your student account and register for the study you want to (-> step 4)!**

- After creating an applicant account you will get an e-mail with a link for the **activation of your account** (please note your user name, password, security question!).
- After your account is activated and you have assigned a password you can **log in** in KUGonline with your user data (user name/e-mail-address and password).

- Please also do the application, as the registration for an applicant account is not sufficient for the admission!

In KUGonline (your Business Card) you can apply for studies and fill in the online-application at: **„Applications“** -> **„Enter new application“** (**ATTENTION: You only have to fill in a registration number if you have already studied at an AUSTRIAN university**)

**ATTENTION:** For entrance exams in February, please choose the „start of course“ with summer semester, for entrance exams from March to September please choose the winter semester!

- [Select degree program](#)
- [Personal data](#)
- [Correspondence address](#)

**Start of course**

Please choose the semester for which you wish to apply at the University of Music and Performing Arts Graz. Please note that there are degree programs which might not be offered in every semester or for which you can only apply for a higher semester. Usually, the bachelor program at the University of Music and Performing Arts Graz starts in the winter semester.

Start of course

Please select...

Sommersemester 2016

Wintersemester 2016/17

You can „show the status“ of your applications at „Applications“ at any time. There you can also find the dates and the invitation for the entrance examination, as soon as your application is checked and the dates are fixed.
